Dysynni Ladies' 1sts 13 -3 Wrexham

Dysynni Ladies were playing hosts to Wrexham this weekend, in the first round draw for the League Cup competition.

Four goals were scored within the first 20 minutes as the two sides both seemed to take a while to settle into the game. The first two goals were taken by Dysynni, as striker Bethan Williams again stamped her authority on the game, the 2nd goal being a master class in execution. Wrexham came straight back in reply with fast strong breaks, and superb finishing, to make it 2 -2.

However, from here on in it was all Dysynni's game with goal after goal being put away, and lots of beautiful passing hockey being displayed in midfield, particularly by player of the match Jo Redman, playing at centre half for the first time this season.

The score at half time was 6-2 to the home team, and by the end of the second half it was 13 – 3. Goals came from, Cassie Griffiths 2, Catrin Davies 1, Jo Redman 1, Kathy Iffla 2, Katy Latham 1, and Bethan Williams finishing on an impressive 6.

The team go north next week to face much stiffer competition against Colwyn Bay 1sts, and recent wins will help to keep confidence high.
