### Colwyn Bay 7 - 1 Dysynni Ladies' 1sts

This weekend Dysynni 1sts travelled away to Colwyn Bay. Here they were to meet some very strong opposition. From the outset Colwyn took the game to the visitors. They had suffered two defeats in a row and were determined to stop the rot. So, as soon as the whistle blew they threw themselves down the pitch at the Dysynni goal, which came under bombardment of a fierce kind.

For the first 20 minutes of the game, in which time they put 2 goals away there was little let up for the keeper and her defence. The shock of this initial onslaught left Dysynni reeling but they found their feet and fought back, putting together some passing moves up the pitch. But Colwyn Bay executed some wonderful set pieces and by half time, despite some stunning saves from players player Kath Charters in goal, the score was 4-0 to Bay.

Far from putting their tails between their legs and giving up , Dysynni came out to the second half determined to play better. Although they conceded another 3 goals in this half , they did manage to convert one goal, with a strong strike from Katy Latham at the top of the circle, rebounding off the keepers' pads, to be tucked away by promising young forward Carys Williams.

It was a very well conducted match with very clean play by both sides. and indeed Dysynni did begin to put some much better plays together. However, this was an excellent young side who executed their training routines to perfection, and at the end of the day found Dysynni wanting.
