### Llandudno 1 – 5 Dysynni

7 Oct 2007

#### Dysynni Off To A Flyer

Like England in the rugby World Cup, Dysynni men get a win under their belt. Dysynni started the first half strong giving little away. The passing game they practiced pre-season came to the fore. Dysynni held on to the ball, moving it well and exploiting space.

The first goal started with man of the match Trevor Humphreys in defence who spread the play wide on the left culminating in Dysynni penetrating the D and then Llandudno gave away a short corner. A well rehearsed routine ended in Stewart Langston slotting the ball inside the left hand post.

Young Ed Iffla showed a deft touch for the second goal with calmness beyond his years. He nudged the ball through the legs of the last defender ran round him and flicked the ball past the keepers left pad.

Dysynni's third started with Josh Haylock passing the ball across the Llandudno goal and Shaun Redman timing his run to perfection and nut-megging the keeper to make it 3 nil to Dysynni. Josh Haylock didn't finish there he showed good team play in passing the ball and was rewarded with yet another short corner. Dysynni again plucked a play from the training pitch which saw Josh Haylock finish well for Dysynni's 4th.

The second half started with Dysynni over complicating the play allowing Llandudno to come back into the game. Their number 9, Tom Simpson, single handedly broke down the Dysynni defence with an impressive run to beat Dysynni keeper Iestyn Richards for the only time in the game.

The final goal for Dysynni was scored when Ed Iffla received the ball in the D from a right sided move involving the ever dependable Jack Iffla and Dave Bowen . Ed with his back to goal laid the ball off to the top of the D where Stewart Langston drove the ball to the keepers left for his second and Dysynni's 5th.

The last 10 minutes of the game were uneventful. After the match newly appointed captain Brian Sellick was quoted as saying "The lads played well and I look forward to the rest of the season".
