Bangor City 0 - 4 Dysynni

10 February 2007

Dysynni made the long trip north to take on Bangor City in their latest North Wales League match. In sunny conditions Dysynni went straight into the attack pinning back the Bangor defence. Dysynni's opening goal came after ten minutes from captain for the day Brian Sellick. A cross to the top of the D saw Sellick unmarked as he stepped forward to power the ball home through a crowd of players. The Tywyn side continued to press forward and an excellent break saw man of the match Tom Lewis rob the Bangor defence to set Josh Haylock for his long-awaited first senior goal. Both Lewis and Haylock had excellent matches continually running the Bangor defence ragged.

Dysynni continued to push forward with Dave Bowen and Dylan Jones providing excellent service to the forwards. The hard work paid off as Brian Sellick laid the ball off to Steve Bowen who converted the opportunity with a first time hit. Dysynni went into the half time break 3-0 up.

Dysynni re-organised their formation at half time with Jack Iffla stepping into a midfield role. The re-shuffled side continued to attack the Bangor half with opportunities for Dan Commander and veteran Trevor Humphries. Midway through the second half however Bangor broke into the Dysynni half to see a shot from Andrew Gannon narrowly miss the goal. After this scare Dysynni pushed forward again with a neatly worked short corner seeing substitute Adrian Bennett receive the ball and hammer it home for his seventh goal of the season. After the game Captain Sellick said he was delighted with the whole team effort that sees Dysynni climb to second in the North Wales League.

Final score – Bangor City 0, Dysynni 4

Dysynni Hockey Club welcomes all players to training at Tywyn Leisure Centre from 7 pm -9 pm on Tuesday evenings.

Next fixture – Semi final of the Welsh Cup in Wrexham on 18th February.
